

Jump Start Guide

Step 1 Promote

Advertising your recycling fundraising scheme is the most important step to getting you scheme up and running.

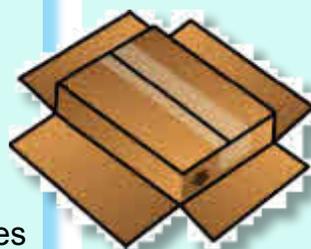

- Distribute the Flyers.
- Put up Posters.
- Hand out your Freepost Envelopes.
- Identify local businesses to help with your scheme.

Step 2 Ship

Once you have collected enough toners, inkjets and mobiles find a box large enough pack them up and we'll come and collect.

- Pack a minimum of 20 units into a box.
- Call the Customer services team on 01372 723 723 to arrange your collection.
- The courier will make the collection in 2-3 working days.
- Start the process again.

Step 3 Earn

When we receive your box we will inspect each item and send you a statement showing what you've earned.

- If you are VAT registered then you will need to send us an invoice for us to send you a cheque.
- If you are not VAT registered then a cheque will be sent with your statement.
